I also gave Mr. Darden a report on the "Wiggle Seat."

18. [REDACTED] Talked with Phil Kelleher, House Armed Services Committee staff, advising him that the Director had signed the letter to Mr. Staats on 3 October concerning disposition of financial records and requested that Mr. Kelleher move ahead with the proposed letter from Chairman Rivers to Staats in accordance with our previous conversation. Mr. Kelleher will go forward on this.

I also briefed Mr. Kelleher on the "Wiggle Seat."

19. [REDACTED] Talked with Miss Ward, in the office of Senator John Stennis, and arrangements were made for the Director to see Senator Stennis at 4:30 on Thursday, 5 October 1967.

20. (Secret - JSW) Mr. Darden, Senate Armed Services Committee staff, called to advise that Senator Symington and the Director had been in conversation regarding Mr. Shackley's appearance before the Committee on Thursday. There were some details left and Mr. Darden wished to convey them to me for passing to the Director. First of all, the Senator would like this to be before the full Committee but added that it should be emphasized that the information bears a high classification. I discussed the question of transcript and Mr. Darden agreed it would be better if none were taken. Mr. Darden also furnished the information that Senator Stephen Young from Ohio would be departing tomorrow for a trip to the Caribbean. The above was passed on to the Director.
